PRESENTS

REUVEN RUSSELL

Reuven Russell, an accomplished actor and comedian, with an extensive theatrical background has been seen on *ER*, and the feature films, *Chaplin*, *Inside Monkey Zetterland* and *The Proprietor*. He has toured nationally in Neil Simon's *The Sunshine Boys* starring Mickey Rooney and Donald O'Connor. His one-man show, *Gathering the Sparks* has played to audiences in over 100 cities around the world. He can currently be seen in the films *Advice and Dissent* with Eli Wallach and Rebecca Pidgeon, *The Permeable Man*, and the children's video series, *The Adventures of Agent Emes*. Reuven recently finished an Off Broadway run in the play, *The Quarrel*, by David Brandes and Joseph Telushkin.

A graduate of the Yale School of Drama, Reuven teaches Theatre and Public Speaking at Stern College for Women and is the Artistic Director of the Stern College Dramatic Society. He is a husband and father of five, and is the son of comedian and Jewish humorist Joey Russell.

The Program is free and open to the public. Refreshments will be served.

FROM THE CANTOR

As I write these words, we are finally having a spate of cold weather befitting a mid-January in the Northeast. The temperature last night was hovering near the single digits. Many of us, myself included, were getting a bit spoiled by the almost spring-like weather

we've been having until now. And yet, I'm sure some have been disappointed by the almost balmy days of this winter, complaining that a foot or so of snow would be far better for skiing, or that some nice frigid weather would bring greater appreciation for the newly purchased winter coat. And of course, if snow and blistery cold were to finally arrive by the time you read these words, there will not be a lack of complaints about how much better the folks have it down in sunny Florida. The truth, as we all know, is that everyone always complains about the weather, yet nobody does anything about it!

Well, that's not exactly true. When it comes to weather, at least with regard to the Land of Israel, we certainly do try to do something about it. We insert into our prayers, specifically the Amidah, the Silent Devotion, a prayer for rain during these months: "Mashiv haru'ach u'morid hagashem." We pray for the wind to blow and the rain to descend. For it is the rainy season in Israel that will nourish the trees and cause the sap to rise and bring on the first buds around the time of Tu B'Shevat, the New Year for Trees, celebrated on the 15th of the month of Shevat. The earth is then awakened and there is the promise of new life.

As an aside, I might point out that not everyone would have us celebrate Tu B'Shevat on the fifteenth of the month. The School of Shammai, the Talmud tells us, would have us place the New Year on the first of the month, but we follow in this, and in most matters, the teachings of Hillel. For an explanation of the basis of Hillel and Shammai's disagreement, I would invite you to attend our Tu B'Shevat Seder on Friday, February 10, following our Shabbat services, at which time we will deal with such questions. Incidentally, our seder happens to take place on the 17th of Shevat, but that's another matter altogether!

So come and join us at the seder, not merely for answers to all these interesting questions, but also for the delight of sampling the fruits of the Land of Israel—

pomegranates, carob, wines, and much more, and also to experience the mystical beauty of the natural world, as we explore in the Haggadah of Tu B'Shevat the mystical world of the Kabbalah.

I am taking a moment right now to check the weather forecast for the next few days, and it appears we may get a snow shower or two with several inches of accumulation. I really do feel like complaining, but at second thought, I'd better just go and look for my old pair of winter boots....

Stay warm and be healthy! B'Shalom,

Cantor Steven Stern

Temple Beth O'r/Beth Torah has for so many years been an important part of our lives, helping us to celebrate simchas, and providing us with an extended family for support and comfort in difficult times. Would you please consider providing a generous bequest in your will so that our "House of Light & Torah" can serve the needs of generations to come.

We thank you.

FROM THE PRESIDENTS

Dear Temple Beth O'r Beth Torah Family,

It is our great pleasure to inform you that we have reached a historic moment in the life of Temple Beth O'r / Beth Torah. Thanks to the generosity of two of our member families, who have requested anonymity, we are about to embark on the redesign and renovation of our Bima window wall in the main Sanctuary.

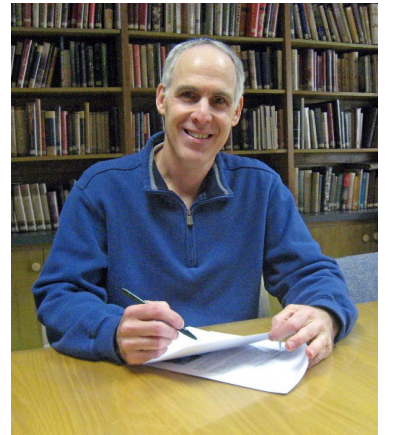

The Window Committee has agreed to hire Ascalon Studios, Inc. as our contractor on this

major project. The committee is now entering the design phase and, if all goes well, the newly designed and rebuilt window wall will be completed by Rosh Hashanah 5773.

Yasher Koach and Todah Rabah to the families whose largess has made this possible. Thank you to our members who serve on the committee and have given their time, creativity and passion to this project. They are listed here in alphabetical order: Debbie Freedman, Joanne Goldstein, Sebley and Bill Hausler, Lillian Makow, Leon and Joan Oberman, Cantor Steven Stern, Martin Richstein, Alan and Rayna Warner, Arny and Myrna Young.

May we always go from strength to strength.

Lillian & Thelma

Our House Chairman Martin Richstein signing the contract with Ascalon Studios.

Highlights of January Programs

Edith & Mark Lief Memorial Lecture

Dr Matthew Halper, Professor of Music at Kean University, highlighted a few of the musicians who composed music in the Terezin camp. It was a moving tribute to their creativity in the face of the horrors of the Holocaust. Dr. Halper also played selective recordings of their music. The program was well attended and appreciatively received.

Israeli Emissary Natalie Elgrabli at the Bayit

It was a full house at the Bayit on Saturday evening, January 14, as Cantor Stern hosted Federation's Israeli Emissary Natalie Elgrabli for the first "Coffee & Conversations" program. After a spirited Havdalah, Ms. Elgrabli sat down to discuss her childhood growing up in Jerusalem, her Moroccan Jewish ancestry, and Sephardic vs. Ashkenazi cuisine. As the evening unfolded, the focus turned to the Haredi--non Haredi/secular divide in Israel, its implications and how it might be addressed. All in all, it was a wonderful evening of intimate conversation and great desserts!

SISTERHOOD PRESIDENT'S MESSAGE

I inadvertently left out a thank you to Janice Hymanson for guiding us in our craft at the December 19th meeting in last month's bulletin. We also want to thank Roz Shifrin for doing the billing and keeping track of donor credit for Golden Books for many years. We are in the process of finding someone to replace her. Another thank you to Esther Schlesinger for hosting Sisterhood's

game night. We had a luscious dairy dinner and a very enjoyable evening playing 25 Words or Less.

Friday February 10 will be Sisterhood Shabbat. This year it coincides with the Tu B'Shevat Seder. The 15th day of the Hebrew month of Shevat is known as Tu B'Shevat, the New Year for Trees. The celebration at this time of the year has to do with the rainy season in Israel, which commences with the festival of Sukkot. It takes four months for the rains to saturate the soil, nurture the trees and coax them into producing fruit. The Torah says, "Man is a tree of the field." We are nurtured by deep roots, as far back as Abraham and Sarah; we reach upwards to the heavens while standing firmly on the ground; and when we do all this right, we produce fruits that benefit the world—namely our good deeds. Please join the women of Sisterhood as we follow the order of the Tu B'Shevat Seder and sample a wide variety of fruits native to Israel. Any Sisterhood members interested in participating in the service should call Fern Cammy (732-549-2652).

Watch your mail for the information about sending Shalach Mones baskets. This year Purim falls on Thursday March 8, with the evening Megillah reading on Wednesday, March 7. We will put the baskets together at a general meeting on

FROM THE MEN'S CLUB PRESIDENT

It's cold, it's not, it's cold, it's not, but inside the Temple Beth O'r/Beth Torah Men's Club it's warm and welcoming, and our events are going forward. Men's Club continued celebrating Shabbos with the area Jewish special adults in January. We had an extraordinary trip over the mountains in an old steam engine driven train from the late 1800's-early 1900's. Our conductor was Dr. Michael Miller. Jay Schlesinger continues his educational poker game program, raising a level of camaraderie and fun to the members of our club.

Even our Board meetings offer more than a bit of friendship and fellowship during a dreary cold winter. Bill Haulser and Theo Morienes run a tight ship at these meeting, while Dan Shifrin keeps a log of our happenings, Mike Goldstein leads us down a religious path, Dennis Berry helps bring in new members and Cantor Stern gives us a momentary glimpse of study. Dr. Mike Miller keeps us going forward, Jay Schlesinger brings in new ideas and Paul Hymanson makes sure we have funds to do "what we gotta do". After our Board meetings you will likely find most of us at a local hangout over a cup of coffee. Something to see, guys hanging out together as friends, our ages spanning almost a forty year

Shomrei Ha Artez (Stewards of the Land) Men's Club Program

This program was a key feature throughout the FJMC national convention in June 2011. Rabbinical speakers related the Stewardship of the Land to specific passages of Torah and Midrash. All plastic-ware used at breakfast and lunch was compostable.

I will discuss the problem that the huge use of plastics causes to the environment.

This article will focus on plastics. In 2009, Americans generated **30 billion tons** of plastic waste. Plastics are extremely useful materials because they resist decay by design. Much of the plastic items are single use and are then thrown away. The "away" is mainly landfills, some to incinerators, a small amount (7%) recycled and large amounts as litter, on roadways, in streams, and in oceans. The number in the triangle on the bottom of the container indicates the type of resin, not the chemical additives.

The most efficient and cost effective solution to minimize the harm that plastic does to human health and the environment is to refuse wasteful single-use plastic. The simplest first step is to restrict use of plastic bags and small single use plastic bottled water. Bring your own reusable shopping bags and carry a refillable water bottle. Participate in your community recycling program, encourage your work site or

difference, but our hearts and minds in synch together for the progress of our Men's Club and our Temple.

This February 5th is one of our most important events, our participation with hundreds of other minyans internationally laying tefillin at the same time. Jews from Israel, Europe, South America and the Australian continent will participate in this event, won't you? Join us on Sunday morning at 9am even if you haven't seen your tefillin in 40 years. Men and women are invited to participate and learn in Sunday morning minyan about laying tefillin and the meaning of the Federation of Jewish Men's Clubs of the Conservative movement making this one of its premiere events. Of course there's breakfast. RSVP the Temple office, please.

Additionally, all our Men's Club members are invited each month to our board meeting, this month on February 9th. Come, we'll talk, we'll debate, we'll have a good time.

The purpose of Men's Club is to serve as an arm of the Temple by putting on programs on topics of interest to our members, the men of our Temple and any other interested parties. We have programs on men's health, the environment, religious programs and general interest programs. If you are not a member, please join. If you have ideas or suggestions, please contact me.

Harvin Freedman

non-profit organizations to use waste haulers that recycle.

Most communities collect #1 and #2 plastic bottles. Do not add #1 plastic clam shell food containers unless the recycler separates them. The different additives and melting point contaminates the bottle plastic batch and prevents its use. Some cities accept #3-#7 materials. The #5 (polypropylene) has a market; the rest is often sent overseas for hand sorting and landfills.

Recyclers:

Fanwood Recycle Center accepts hard plastic; toys, furniture and buckets.

Whole Foods Store's Gimme 5 Program accepts clean #5 plastic.

Local Pack and Ship stores accept packing peanuts and bubble wrap

Weisenbach Recycled Products (www.CapsCando.com) accepts clean plastic bottles and jar caps, flip-top caps and flexible lids.

Timbron International (www.Timbron.com/recycler.htm) accepts clean Styrofoam; but no peanuts.

TerraCycle (www.Terracycle.net) accepts plastic cereal and chip bags, candy wrappers, single use packaging by mail in program.

If you would like to participate in the service, please call Fern Cammy (732-549-2652).

PURIM BASKETS

Come hear the Megillah reading on the first night of Purim on March 7th. After the fun service you can pick up your Shalach Manos Baskets, which once

again are being sold by Sisterhood. Remember, it is a Mitzvah to send them.

You will soon be receiving by mail the form for ordering the baskets. This year's theme is the Olympics, in honor of the 2012 Summer Games in London. You can send the baskets to members as well as to non-temple members. New this year are certificates, which can be purchased for the same price as a basket to be sent to out of town members and non-members. So look for a separate mailing coming by mail.

Don't delay in sending in your orders as they are due by March 1st!

MEMBERSHIP PHONE DIRECTORY

We are planning to publish a new membership phone directory. We will be including your **favorite kosher recipes** whether they are for the holidays, Shabbat or everyday meals.

Please send your favorite kosher recipes to the temple office by email

(tbethor@gmail.com), mail, or drop them off. You will be receiving additional information shortly.

We appreciate your help.

The Roots of Anti-Semitism

Led by Rabbi Charles Lightner

Tuesdays at 8:00 pm: March 13, 20, 27, and April 3

Anti-Semitism, whether openly acknowledged or cloaked in the guise of anti-Zionism, is alive and flourishing in the 21st century. We'll examine its roots: in Christianity, in Islam, in secularism, socialism and communism. Is it a religious phenomenon; is it cultural; political; economic? How has the expression of anti-Semitism changed since the founding of the State of Israel? What is the Jewish community's response?

Got a Simcha?

**Birthday? Anniversary? Graduation?
New grandchild?**

Commemorate a Yahrzeit?

**Host a Kiddush at TBO/BT. You can
sponsor the entire Kiddush or be a co-
sponsor with a donation of \$18 or more.**

Are you missing out?

If you are not currently on the TBO/BT email list, please notify the office and you'll begin to receive timely information each week about our exciting programs that will keep you in the loop.

Don't miss out!

Morning Minyan Update!

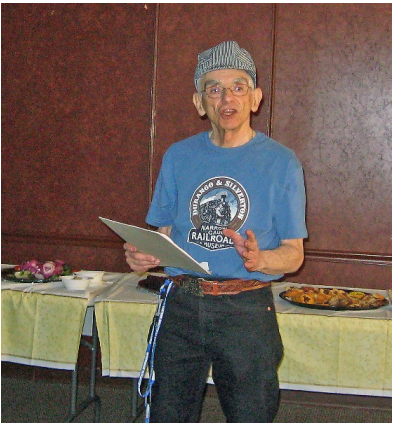

Our morning Minyan serves our temple community by providing us with a place to pray and say Kaddish for those in mourning and those commemorating a yahrzeit. It's there for us when we need it. Will you do your part to insure that it continues to thrive? Join us for one morning a week, or at least whenever you can. Breakfast is included, so we feed both the body and soul. Thank you!

In the month of February Morning Minyan will be held in Clark
